#### Creation of the Lien and Personal Obligation of Assessments and Fines

4.01 Each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessment or charges, (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided, or (3) fines promulgated by the Declarant or the Association for violations of the restrictive covenants as hereinafter set forth. Declarant herein is expressly not included for payment of any annual or special assessment, or fines. The annual and special assessments, and fines, collectively the "Assessments", together with interest, costs, and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such Assessment is made. Each such Assessment, together with interest, costs and reasonable attorney fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the Assessment fell due.

#### Purpose of Assessments

4.02 The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, the street lights located within the subdivision which are serviced by Habersham EMC and placed on their own meter, and the roads (Provided they are not county maintained).

### Maximum Annual Assessment

4.03 Until January 1 of the year immediately following the conveyance of the first lot to an owner, the maximum annual assessment shall be Three Hundred and No/100 Dollars (\$300.00) per lot. In addition to the annual assessment as set forth herein, there is a \$150.00 initiation fee applicable to any property transfer. The Board of Directors of the Association shall have the authority to increase or decrease any assessments and/or initiation or transfer fees with proper notice hereinafter stated having been given.

### Special Assessments for Capital Improvements

4.04 In additions to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement on any capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of fifty-one percent (51%) of the owners voting either in person or by proxy at a meeting duly called for this purpose.

4.08 Declarant is specifically excluded from assessment while Declarant remains an owner of any of the lots.

### Effect of nonpayment of Assessment: Remedies of the Association

4.09 Any assessment not paid with thirty (30) days after the due date shall bear interest

from the due date at the rate of eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property of that Owner. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the roads or Common Area or abandonment of his lot. It being to the mutual advantage of Declarant herein and any subsequent or purchasers of any of the above described property to further allow and authorize collection of said amounts, Declarant and subsequent Owners hereby authorize and agree that a lien shall be placed among the deed records of White County, Georgia against the offending property or owners until said sum shall be paid in full.
